

**STATE ASSESSORS BOARD LEVEL 1 AND LEVEL 2  
HOME STUDY COURSES**

Home study courses are courses that you may take at home through a computer disk program available in the Microsoft Word program and in hard copy provided in a 3-ring binder. Both versions will be sent to applicants.

Home study courses will soon be available for all State Assessors Board Courses. An individual taking a home study course may register with this office, pay the course fee, take the home study course, register for the examination for the course, pay the examination fee, and test for the course. Should the individual fail the examination, after 90 days the individual will be eligible to register to take another examination for the course.

State Assessors Board Course 1 is a 72-hour beginner's course that teaches the student how to become a level 1 assessor and prepares the student for the level 1 assessor certification examination.

State Assessors Board Course 2 is a 72-hour course that teaches the student how to become a level 2 assessor and prepares the student for the level 2 assessor certification examination.
